5,000 euro per project team

Applications close January 30th Learn more [at this link](#)

Masterclass Webinar January 18th 1-2pm online – to support application idea development

Transforming the Student Experience Through Learner Empowerment

The National Technological University Transformation for Resilience and Recovery (NTUTORR) project aims to deliver transformative change for the technological Higher Education sector. The NTUTORR project will transform the student experience and address key challenges arising out of the pandemic including equality, access, digital literacy, community empowerment and climate action.

100 Fellowship Projects in Ireland*

Value €5,000 each fellowship

**Min. Fellowship Project team of 2-4 students*

Students as Partners in Innovation Fellowship Programme

We are seeking staff and students in Technological Universities or Institutes of Technology who are interested in working in partnership on projects that enhance the student experience within their own institutions. Applications are sought from student and staff teams OR individual students. Projects will address the following themes.

- Digital Transformation in Teaching & Learning
- Education for Sustainability
- Equality, Diversity & Inclusion
- Universal Design for Learning
- Academic Integrity and Assessment

Project timeline: It is expected fellowships will be awarded in February 2023 and projects will commence from March 2023 and conclude in April 2024.

Closing date for applications January 30th 2023

All projects will involve student-staff partnership. Successful individual student applicants will be matched with staff partners.

APPLY TODAY

Learn more about the programme FAQ's →

All fellowship projects will be disseminated in a national symposium in 2024 to celebrate the Student Partners for Change and Innovation Fellowship programme.
