WHAT IS ACADEMIC INTEGRITY?

Integrity is integral to all academic endeavours. But what is academic integrity? Why is it important? And how does it impact on you? In this module, you will learn about the core values of academic integrity, how you can apply them and encourage others to adopt them.

Think about it

Click 'Play' to watch interviews with staff discussing what academic integrity means to them, why it's important and how they promote a culture of academic integrity.

Ritchie is a first-year student. He is nearing the end of his first semester of study and has been struggling with anxiety throughout the semester. His anxiety has had an impact on his ability to study effectively, and Ritchie has fallen a little behind. He has a major assignment due tomorrow which he hasn't started working on yet.

Click on one of the staff members to read about their interactions with Ritchie. Choose one of the responses provided, and then read our feedback.

Kyle, a counsellor at the Student Health Service

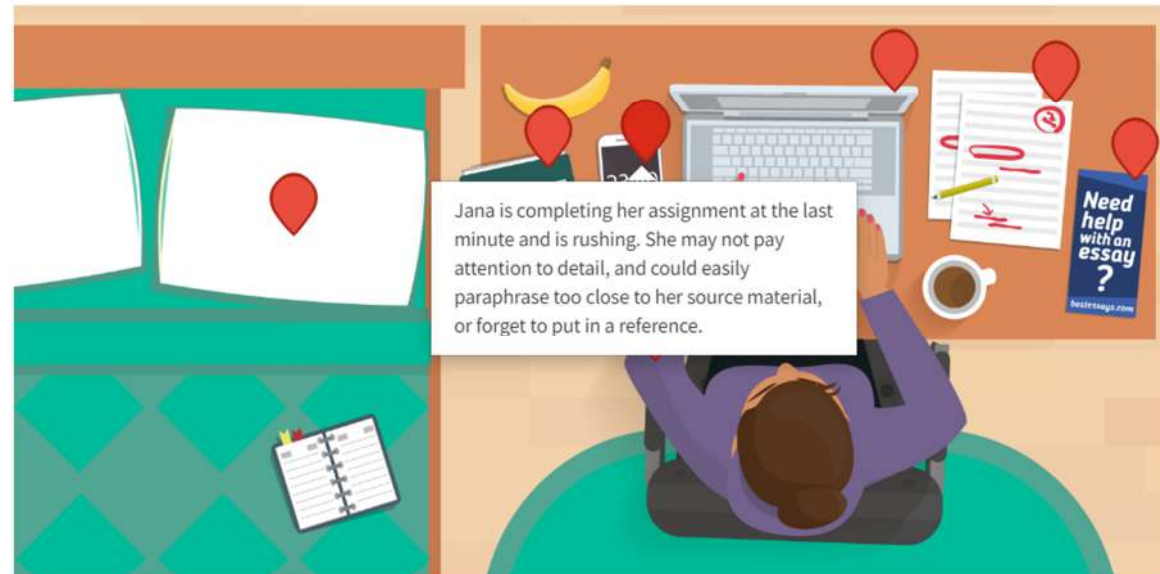

Jill, Ritchie's lecturer

Britt, a computer technician in the department

Click on the pinpoints to navigate the graphic.

You may think that in your role you do not have any responsibilities regarding academic integrity. Upholding academic integrity is for students and for teaching staff, right?

No matter what your role, there will be things you can do to promote a culture of integrity and support students with academic integrity.

The screenshot shows the SLIGO Academic Integrity for Students course overview page. The header includes the SLIGO logo, Atlantic Technological University name, and the course title. Navigation links for Home, Dashboard, Events, My Courses, and My Supports are visible. The page content includes an Accessibility sidebar with ATbar options, a Navigation sidebar with links to Dashboard, Site home, Site pages, and My Modules. The main content area is titled "Overview of students" and features filters for Visible groups (All participants), Role (Student), and Program code (Choose...). A pagination bar shows 443 students. A table lists student details, including a student with a 0% progress bar and a failed quiz.
